(Our History does not stop at our Municipal Borders)  
Presents the First Annual

# *Good House KEEPING Awards*

## Nomination Form

People say that if a house is over 100 years old, only the owner works. Nevertheless, many owners of older homes appreciate them for their beauty, solidity, history, and usefulness and care for them with an eye toward the next hundred years. The municipalities of Eastern Delaware County, especially the first ring suburbs, are blessed by rich history, many wonderful homes and many wonderful stewards. *The Good House KEEPING Awards* celebrate those stewards and their houses.

Any building built before 1918 is eligible

Nominations must be received by October 1, 2018
